

Supplier guideline — KindNesta product template

Share `partner-product-template.csv` with suppliers. Open in Google Sheets or Excel. Keep the header row. **One row = one SKU.**

All columns are **mandatory**. Attach product photos (and any certificates you already have) in the same email.

Columns

Column	What to put
sku	Your article / SKU code
title	Clear product name
brand	Your company / brand
category	Free text (e.g. packaging, home, personal-care, other)
description	What it is and who it is for
materials	What it is made of
image	Main photo filename
publicClaims	Exact wording KindNesta may publish — or none
contactEmail	Who we should reply to

Claim rule: no generic *eco-friendly* / *green* / *sustainable* / *climate neutral* without proof. Prefer specific claims (e.g. scheme name + %).

What to send

1. Completed `partner-product-template.csv`
2. Product photos named as in `image`
3. Any certificates you already hold (optional)
